Women in the City  
A WESTOFROME PROJECT  
Various venues

Conceived by Italian dynamo art dealer and part-time Angeleno, Emi Fontana, this series of viral public art happenings and exhibitions by major women artists takes place in numerous and varied indoor and outdoor locations across Los Angeles' urban sprawl. Look for Barbara Kruger billboards and a sound installation of birdcalls by Louise Lawler. Other artists include Jenny Holzer, and Cindy Sherman. For details on the events and films, visit [www.womeninthecity.org](http://www.womeninthecity.org).
